

Western States Cutting Horse Association was started in the state of Colorado in 1950 with the purpose to interest horseman in the breeding and training of their horses for the sport of cutting. WSCHA strives to offer both weekend and aged events that showcase every level of competitor and that benefit not only riders, but owners and breeders as well. Our members come from all walks of life, and from all over the Western United States.

The Western States Cutting Horse Association is already gathering steam for our 2018 show year, and we would love to invite you to be a part of this great association. Each year WSHCA puts on three shows, one in February held in McCook NE, our spring Limited Aged Event held in Loveland CO, and our major event of the year; our Fall Limited Aged Event in Loveland CO.

Last year our Fall Limited Aged Event was the largest to date Western States has hosted. We brought in over 300 competitors from all over the U.S., including competitors as far north as Montana, South Dakota, and Idaho, south from Oklahoma, Texas, and east from Nevada, and California. We paid out over \$200,000 including the Stallion Stakes, and next year we are hoping to only increase those numbers. With your help, we will be able grow and promote the great sport of cutting and provide a better place for competitors to continue to show. With your sponsorship will be able to advertise more, give more awards to all our deserving contestants, provide more hospitality such as lunches, dinners, and overall provide a better experience for everyone attending our show.

We appreciate all our sponsors and will do everything we can to promote you and your business. With that, a sponsor will get year-round recognition on our website, in our monthly newsletters, and we will also be running monthly spotlights and promotions for sponsors on our social media pages and website that would include a write up on your business.

Thank you for taking the time to consider becoming a partner of ours and supporting Western States Cutting Horse Association, and we look forward to hearing from you. If you have any questions at all please do not hesitate to contact us.
